

"How you respond to the challenge in the second half will determine what you become after the game, whether you are a winner or a loser."
Lou Holtz

We carry a proud tradition of team spirit and participation in sports. From fiercely contested derby days and leagues that compete locally and against national opponents to a fully equipped gym for students and a professional biokineticist who oversees training programmes, we offer a comprehensive sporting experience and environment.

VICTORIA PARK HIGH SCHOOL
PREPARED FOR LIFE

"Never regard your study as a duty, but as the enviable opportunity to learn to know the liberating influence of beauty in the realm of the spirit for your own personal joy and to the profit of the community to which your later work belongs."
Albert Einstein

SCIENCE

Science is key to unlocking a variety of career paths at university level. Our science teachers are highly motivated, proven in the high averages achieved over several years of external examinations.

GENERATION Z

The online generation are wired for the fast delivery of content, data, and images, as such teaching includes the use of game theory with continual feedback together with the skill to discover, curate, and manage information.
