PREPARED FOR LIFE

CODE OF CONDUCT

PREAMBLE

In terms of the **South African Schools Act, 8 (4) of 1996**, a school Governing Body must adopt a Code of Conduct aimed at promoting a positive disciplined environment for the delivery of quality teaching and learning. This Code of Conduct is linked to the Constitution of the Republic of South Africa Act, 1996 and the subordinate provincial legislation.

OUR MISSION STATEMENT

The School's Mission Statement encapsulates the essence of the type of school environment we desire for our learners.

Victoria Park High School is committed to providing facilities for a well-balanced education, which concentrates on the development of mind, body and soul, which will enable and encourage children to develop their full potential, so that they can play a useful, fulfilling role in the community and the larger society.

ETHOS

Victoria Park High School is driven by sound moral principles, academic excellence and passionate participation. Our Code of Conduct also recognises the need to promote an atmosphere of co-operation, teaching, learning, mutual respect and the establishment of a culture of tolerance and peace.

THE BASIC CODE OF CONDUCT

The Code of Conduct applies to all learners wearing the VPHS school uniform, including sporting attire or officially representing VPHS.

LANGUAGE POLICY

The medium of instruction at **Victoria Park High School** is English. The subjects of Afrikaans and isiXhosa are offered as 2nd language subjects of choice.

EDUCATORS' RESPONSIBILITIES

The Principal and his staff have the same rights as a parent (to act in loco parentis) to control and discipline the learner according to the Code of Conduct during the time the learner is in attendance at the school, any classroom, school function or school excursion or school related activity.

RIGHTS AND RESPONSIBILITIES OF LEARNERS

Learner's Rights

Protection from all forms of discrimination

A safe environment conducive to learning

Responsibilities of Parents with respect to the Code of Conduct

The ultimate responsibility for learners' behaviour rests with their parents or guardians. It is expected that parents will -

- Support the school and make sure learners observe all school rules and regulations and accept responsibility for any misbehavior on their child's part
- Honour your financial responsibilities timeously
- Take an active interest in their child's schoolwork and make it possible for the child to complete assigned homework
- Ensure that the learner arrives timeously for the start of the school day
- Be aware of the extra-mural activities of their teenagers
- Attend meetings that the SGB convenes for them

Classroom rules

These NON-NEGOTIABLE CLASSROOM RULES were developed in close consultation with the staff and the pupil body (Representative Council of Learners – RCL)

- Anti-social behaviour will not be tolerated
- Cell phones, or any similar devices, **are not to be visible** and are to be switched off at all times during the school day
- Secret texting is **NOT ALLOWED**
- No talking out of turn
- No abusive or discourteous language
- No graffiti, vandalism or littering
- No walking around without permission
- No involvement in activities not related to the subject being taught without the consent of the teacher
- Be punctual for class
- Homework tasks and missed work because of absence to be completed timeously
- Homework must be completed at home and not before school
- Transgression of any of the above rules will have consequences

SCHOOL ATTENDANCE

The right of a learner to a basic education places the obligation on the parent and the learner to attend school regularly during school hours.

- The register class teacher will keep an accurate register of learner attendance and will report irregular school attendance to the parent and the Grade Head. The register class teacher must keep copies of all communication with parents when absence from the classroom is reported.
- Absence from school for any period of time must be covered by an absentee note from the parent.
- Should the learner be absent from school for a period of longer than three (3) days, a doctor's certificate is required.
- Should the learner be absent for ten (10) consecutive days without a valid reason, the Principal must cancel the learner's record in the class register on grounds of continuous absence. The learner will then need to re-apply to be re-admitted to school. This process is at the Principal's discretion.
- Should the learner exceed twenty (20) unexplained days absent in total for the year, the learner will be deregistered.
- All learners are to arrive at school before the official starting time. Learners who are late will enter their **correct names** in a register at the entrance and will be recorded as being late.
- Absence from class without the permission of the relevant register or subject teacher is prohibited.
- Any absence from a formal examination must be notified by the parent and supported by a doctor's certificate.

RELIGIOUS OR CULTURAL PRACTICES

- Learners wishing to participate in their religious or cultural ceremonies may do so once their parents have given the Principal due notice of their intentions.
- It is recommended that male learners, wishing to participate in their rite of passage to manhood, do so at the end of their Grade 12 year. This will obviate any disruption in their schooling and that of their fellow learners.

Early release from School

- No learner may leave the school during school hours without a letter from a parent requesting permission to release the learner. The learner is to report to the School Secretary to obtain a "permission to go home note", **which must be signed by the Grade Head and returned to the School Secretary on leaving the premises.**
- In the event of a learner taken ill at school, a permission to go home note must be signed by the learner's Grade Head and handed in at the Secretary's office. The School Secretary will contact the parent to arrange transport home.
A learner may NOT use a cell phone to contact the parent directly without the permission of the School Secretary.
- Truancy from school is prohibited.

END OF DAY

Once the learners are dismissed, learners are discouraged from remaining at school if not involved in an academic, cultural or sporting activity. Unless there is a school function, the school is locked up at 15:45.

For security and other reasons, learners are dissuaded from loitering on the grass verges outside the school. Parents are encouraged to ensure that their children have a means of getting home if they have no need to be at school in the afternoons.

Security and Care of School Property

It is the obligation of every learner to protect and carefully use all the facilities and equipment so that others who come after them can also enjoy the privilege. Destruction or vandalism of property is a punishable offence. The parent or legal guardian of anyone who intentionally misuses, damages or defaces any school property will replace it or pay for the damaged property.

CCTV cameras are installed for the protection and safety of all staff and learners. Evidence thus recorded may be used when a dispute arises.

The following areas are out of bounds to learners:

- The areas between the west boundary walls (1st Avenue) and the VP School Shop, the Vermaak classrooms, behind the bus garages, behind the drama rooms and pre-fab classrooms
