POSTPONEMENT OF EVENTS DUE TO COVID19 REGULATIONS

Dear Parents

Welcome back to school and to 2021!

A lot of what was planned to make the start to our school year a happy, constructive process has been affected by the second wave of the pandemic. We were really looking forward to welcoming everyone back, to being able to teach the whole class together, to celebrating with you at our prize giving and to planning with you at our Grade meeting and much more.

It is with sadness that the following has had to be put on hold until COVID19 restrictions have been eased:

- Grade 8 Excursion/Camp to Addo
- Grade 8 Steak Braai
- Academic awards ceremony
- Grade meetings with parents
- Organized sport and Cultural activities

We will be looking at ways to make as much as possible of the above happen, either later or in a different format.

We thank you for attending our grade days last week and trust that the work handed out is being done and that the notes and textbooks have been helpful. It was energizing to see learners back and to feel the eagerness to get up and running again.

Unfortunately we will be coming back to school in two groups again. We must all be doing our utmost to ensure that learners are doing academic work on the day that they are not physically attending school. This will be essential to long term academic success and cannot be taken lightly.

Our condolences go out to all families who may have been negatively affected by the pandemic and pray that you will find the strength to deal with your unique challenges.

Let us all work together in this time of change to make the education of the learners as productive and pleasant as possible.

Yours sincerely
